

Lend Your Voice

There are two important ways to get involved and support the approval process for the track:

Attend the Next Public Hearing

Supporting the Fairmont Butte Motorsports Park by attending the public hearings and speaking in support has a very positive effect on the people (County officials) that decide the fate of the project. Please see the "News" page on this Web site for information on the next hearing.

Regardless of whether or not you speak at the hearing, your presence will make a difference to the County. We hope you can join us.

Write a Letter of Support to the County

The County is still accepting letters as part of its consideration of the project.

Letters can be very simple: Just stating your support for the project in one sentence is enough. But if you have something more to say, that is certainly welcome.

The easiest way to write is via e-mail. Send to Mr. Jodie Sackett at jsackett@planning.lacounty.gov
Please cc us at malloyco@aol.com

You can also send your support comments directly to Los Angeles County Fifth District Supervisor Mike Antonovich via e-mail at: FifthDistrict@lacbos.org (If you do, please make sure to copy Jodie Sackett.)

If you prefer hand-writing your letter, please address to Mr. Jodie Sackett, Los Angeles County, Department of Regional Planning, Room 1382, 320 West Temple St., Los Angeles, CA 90012.

Volume is king—we need as many letters as possible. Please pass this to friends that may have an interest in the project.

Thank you for your support!
